Refitting &
Maintenance**

“SECURE, TRANSPARENT AND RELIABLE YACHT CARE”

About Us

We are dedicated to providing top-quality yacht refitting and maintenance services. Our team's extensive experience ensures your yacht receives the best possible care, tailored to your specific needs.

Hull , Painting & Fiberglass Wood

Comprehensive hull maintenance and repair services. Expert painting and refinishing for a flawless finish. Skilled fiberglass and wood repairs, ensuring structural integrity and aesthetic appeal.

Electrical System & Lighting

Comprehensive electrical system services for safety and reliability. Upgrades, repairs, and new installations. Energy-efficient LED lighting solutions to enhance your yacht's ambiance.

**Exclusive Offer for Former
Al Jadaf Customers!**

On-Board Instrumentation

Installation, calibration, and repair of navigation and communication systems. Ensuring precise and reliable operation. Keeping you connected and informed on the water.

Anti-Osmosis Treatment

Effective anti-osmosis treatments to protect your yacht's hull. Preventing blistering and ensuring long-term durability. Utilising industry-leading techniques and materials.

Upholstery & Carpentry

Custom upholstery services, creating comfortable and stylish interiors. Expert carpentry for repairs, renovations, and custom projects. Enhancing the beauty and functionality of your yacht.

Engine, Re-Engines & Propellert

Full range of engine services, from routine maintenance to complete overhauls. Professional re-engines solutions for optimal performance. Propeller repairs and replacement for smooth sailing.

“Where Marine Engineering Meets Luxury Craftsmanship.”

Why choose Us?

- 15+ years of experience
- Complete yacht service offering
- Focus on safety, reliability, and value
- Transparency throughout the entire
- process
